1

The diagram illustrates a key insertion step. On the left, a hand is shown inserting a key into the ignition cylinder, with a '1.' label and an arrow indicating the direction. To the right is a car battery with negative (-) and positive (+) terminals. Above the battery is an upward-pointing arrow with three horizontal bars. Below the battery is an eye icon. At the bottom center is a warning triangle with an exclamation mark. At the bottom right is an open service manual with the word 'SERVICE' on the cover.
