C 34 008: Two different designs, one quality

The air filter for 1.3l EURO-6 diesel engines on many FIAT, OPEL, CITROEN and PEUGEOT applications are produced in two different designs.

Regardless of the appearance, both versions of C 34 008 fulfil the specifications providing the accustomed OE quality level of MANN-FILTER.

MANN-FILTER versions of C 34 008:
