AUDI A3,TT; SEAT ALTEA, ALTEA XL, LEON, TOLEDO; SKODA OCTAVIA, SUPERB, YETI; VW PASSAT, CADDY, CC, SCIROCCO, TIGUAN, TOURAN, CC, EOS, GOLF, JETTA, PASSAT

**SKF CV-Joint Kit : Boot design changes**

OE Nb's: 1K0498099B, 1K0498099BX, 1K0498099J, 3B0498099G

The boot shape of the CV-Joint kit VKJA 3028 has been redesigned.

The new solutions are completely interchangeable and has 4 coil, (compared to the previous one with 5) and is SKF marked.

It is in line with OE specifications and comply with OE product quality and performance.

The small diameter of the VKJA 3028 boot need to be tighten in a different way compared to the original one as shown in the below picture.
